25X1 1. In 1946 about 30,000,000 domestic animals (sheep, goats, cattle, horses and camels) were being raised in the Mongolian People's Republic. Last year the Soviets required 200,000 horses to assist in their farming-restoration. In addition, 10,000 tons of wool, 1,100 tons of camel's hair, 200 tons of goat's hair, 39,000 tons of horse hides, 2,000,000 sheepskins and 1,000,000 black goatskins were exported to Soviet Russia.

2. An ironwork shop, a foundry, an auto repair shop, an alcohol factory, a boot factory, and a telephone factory (?) are in the Ulan Bator area. All the machinery for these factories was imported from the USSR, and all factories are under Soviet supervision.
